Guidelines for Survey

1. All the handed over WUAs will be evaluated by the SO/SP team of concerned Community Worker and Specialists.
2. It is recommended initially to fill up the data from the field in hard copies and may be uploaded after verification by the SO/SP team and **kept as a saved item**. Keep the hard copy signed by the survey team and verified by the SO/SP team.
3. DPMU to verify the details in the PDF printed file signed by the team of specialists and update & **submit on the portal**.
4. While online data entry please note that the token system has been removed.
5. Please fill up one WUA data at a time section-wise. To save, click on the "Resume Later" option by creating your own username and password. Save your details frequently by clicking "Resume later". You can use the same username and password for each section.
6. Once the survey of One WUA is completed the same user ID and password can be used for the next WUA evaluation.
7. You can fill up the survey section of a WUA in random order as per your requirement but it will be better to follow the sequence.
8. PDF files of all submitted WUAs should be kept as record of signed copy at SO/SP & DPMU level.
9. Edit option will be available only on request to email to admipimpact20@gmail.com
10. DPMUs are responsible for physical verification of 15% of the WUAs submitted by SO/SP.
11. The SPMU team will be responsible for physical verification of 5% of the total WUAs evaluated.
